

COLAB AND BLOOM

2017 Australian Portfolio

We're a collaboration of like-minded friends creating expressive and drinkable wines with abundant flavours. From estate vineyards in the Adelaide Hills and our grower friends in McLaren Vale, Langhorne Creek, Southern Fleurieu and the Barossa Valley we source the finest grapes. Low yielding vineyards provide us with expressive fruit. Minimal winemaking lets the fruit speak for itself and perfectly represent both region and variety. **Above all, we seek to make wines that we like to drink.** We're sure you'll like them too.
