CAZADORA

FINE WINES OF TASMANIA

PINOT NOIR TASMANIA

COLOUR

Bright crimson with a purple hue.

NOSE

Elegant aromas of raspberry, rose petal and subtle savoury notes.

PALATE

Intense upfront raspberry, with a balanced acidity and tannin structure guiding flavours of savoury cherry and oak spice to a long, driven finish.

WINEMAKING

The Pinot Noir grapes were hand-picked, crushed and destemmed into open fermenters. The must was inoculated for both primary and MLF, fermentation was controlled at 20-22 degrees over 5 days. Once fermentation was finished, wine was pressed off to French oak, and left to mature and develop for nine months before final blending, fining and bottling.

FOOD PAIRING

A great match with duck and other game birds.

VINTAGE NOTES

Pipers River is situated in the north of Tasmania. The cool climate, rich fertile soil, gentle rains and long sunny days enable us to grow and produce some of the best wines in the world. A strong maritime climate provides protection from the extremes, but is surprisingly frost prone, Other measures are required to help reduce the risk of frost during the growing period.
